

Indoor Cycle C510

SportsArt takes spin class to a whole new level of energy and competition. With a precision machined flywheel, fully enclosed drive belt, and extra wide base, the C510 offers an experience most users have never felt before. Combining ergonomic handlebars and user-focused feature adjustability; spinners can focus on their workout, rather than their ride position.

- Simple adjustment levers lock into place quickly
- Multi-position resistance with easy control knob and emergency stop for safety
- Whisper quiet poly-v belt offers smooth, consistent motion
- Universal 9/16ths thread allows for use of aftermarket pedals
- Pedals have standard toe cage and strap with optional dual function pedals
- Steel frame with transport wheels and 4 levelers
